## Superior self-catering apartments

Commanding a striking position at the top of Pound Hill, this extremely modern landmark building is undoubtedly the most exclusive and prestigious place to live in the County. The building sits amidst landscaped gardens, within private grounds, which are enclosed by secure electronic gates. This award winning edifice to modern architecture is sited in one of the oldest and most historic parts of the county, and provides breathtaking views across Worth Forest to the borders of West Sussex.

All of the apartments are in excess of 850sqFt, and contain two huge double bedrooms with floor to ceiling fitted wardrobes and matching furniture. There are also two full bathrooms containing both baths and power showers which are fully tiled in smooth ceramic sandstone tiles. The exquisite kitchens are finished with solid black granite worktops which compliment perfectly the hand-painted cream kitchen and Amtico flooring.

All of the lounges are entered using the large wooden double doors with inlaid dark marquetry, and offer spacious air conditioned luxury, from the solid Canadian wooden flooring and recessed lighting systems, to the sumptuous executive furnishings. The apartment is complimented with a large walk-on balcony, accessible via the double French doors in the lounge, perfect for open air dining during the warm summer months.

The apartments all benefit from large south facing windows, which allow an abundance of natural light into all of the living areas. This, combined with the thoughtful neutral decor, ensures that you are able to relax in a calm and safe environment, away from the stresses of everyday life.

The Pines is within easy walking distance of all of the local shops, gym and spa, and is also only five minutes walk from the local train station at Three Bridges. The location also allows a five minute drive to the M23 motorway or to Manor Royal Business Quarter and Gatwick Airport.
